### Notre Dame Academy

A 4-year starter, Emily was a strong hitter for last year's 22-10 Pandas, helping her team to a Kentucky 9th Region runner-up finish. For the season, she had 270 kills, 65 digs and 33 blocks and was named by the NKY volleyball coaches as the Div. I Player of the Year and was 1st team all-Northern Kentucky (Enquirer). Emily was also named to the regional and district all-tournament teams. Emily was honorable mention all-state by the Kentucky Volleyball Coaches Association, and named to the all-tournament team of the USAV championships. "Emily has been a tremendous asset to the NDA volleyball program," says coach Andrea Lanham. "Being the starting outside hitter since her freshman year, Emily has become the 'go-to' player on the team." A good student (3-time academic all-state) and an avid reader, Emily is active in community service, and will continue her volleyball career next season at Murray State University. Her favorite athlete is Misty May Treanor.
