## Shannon Ott

### Seton High School

What a way to end a varsity soccer career as a senior! Team captain Shannon Ott, together with her irreplaceable Seton High School teammates, took home the program's first-ever Ohio state Div. I championship in soccer. Not only that, but Shannon scored the winning goal in the state title match, a 1-0 win over Strongsville.

A three-year varsity player at forward/wing, Shannon scored 11 goals and had 11 assists this past season, scoring 33 points. This followed up a junior campaign when she had 10 goals and 12 assists for 32 points. She was named second-team all-GGC in soccer in both her junior and senior years. A multi-sport athlete, Shannon also made second-team all-GGCL in basketball and track and plays for a select team in softball.

Shannon is also a superstar student. A member of National Honor Society with a 3.83 unweighted GPA, she has been a first-honors' student every quarter at Seton High School. Active in community service, she is president and co-founder of the Animal Welfare Club. Shannon also plays soccer for the Kings Hammer club team and will play soccer collegiately at IUPUI (Indiana University-Purdue University Indianapolis).

Her favorite athlete is Rose Lavelle, favorite entertainer is Billy Joel, favorite book is Hunger Games Catching Fire, favorite movie is Inside Out and most-like-to-meet is Anne Frank.
